

Urgent Eyecare Service (CUES)

Please choose a practice from the below list and contact them using the telephone number provided. The practice will run through some questions to understand your symptoms better. All patients who are suitable for an appointment within the service will have a remote telephone/video consultation with an accredited practitioner. Only those requiring essential eye care will attend an optical practice and see an optometrist for an appointment.

This list is subject to change, please visit www.primaryeyecare.co.uk
